#### ALMA MATER

In a peaceful quiet valley  
Under skies of blue,  
Stands our noble Alma Mater,  
Glorious to view.  
Lift the chorus, speed it onward,  
Praise her to the sky,  
Hail to thee, our Alma Mater . . .  
Dear old Brockway High.

It comes natural!

Another exciting day.

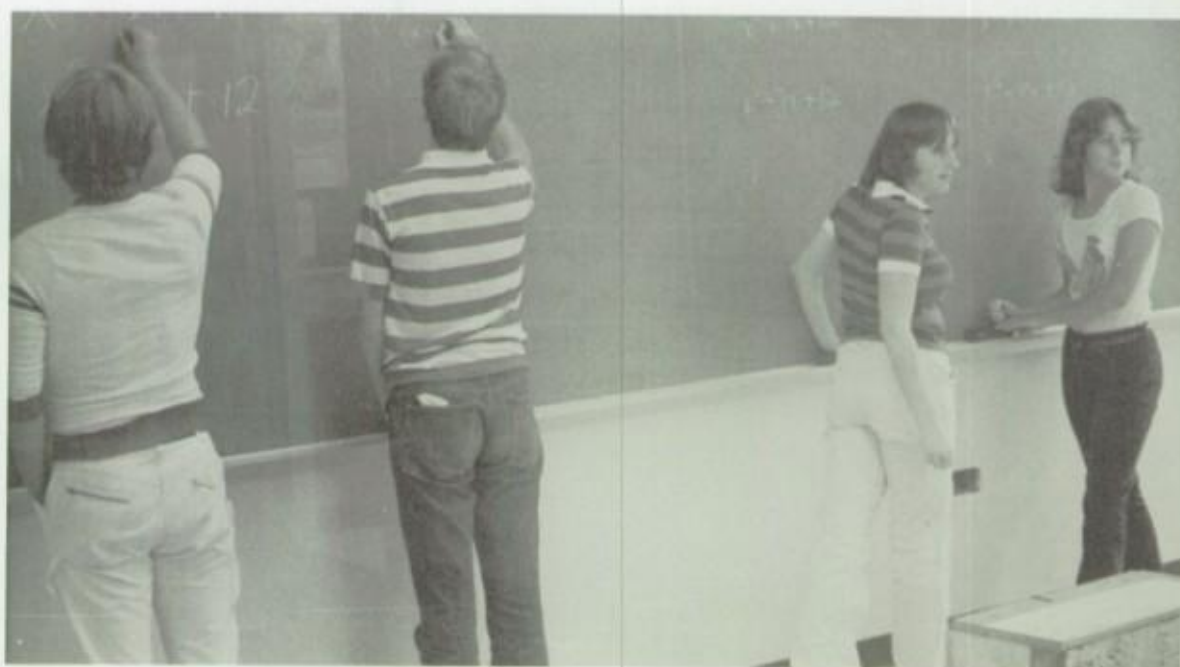

We're the perfect housewives.

Does that mean all night?

Dream on kids.

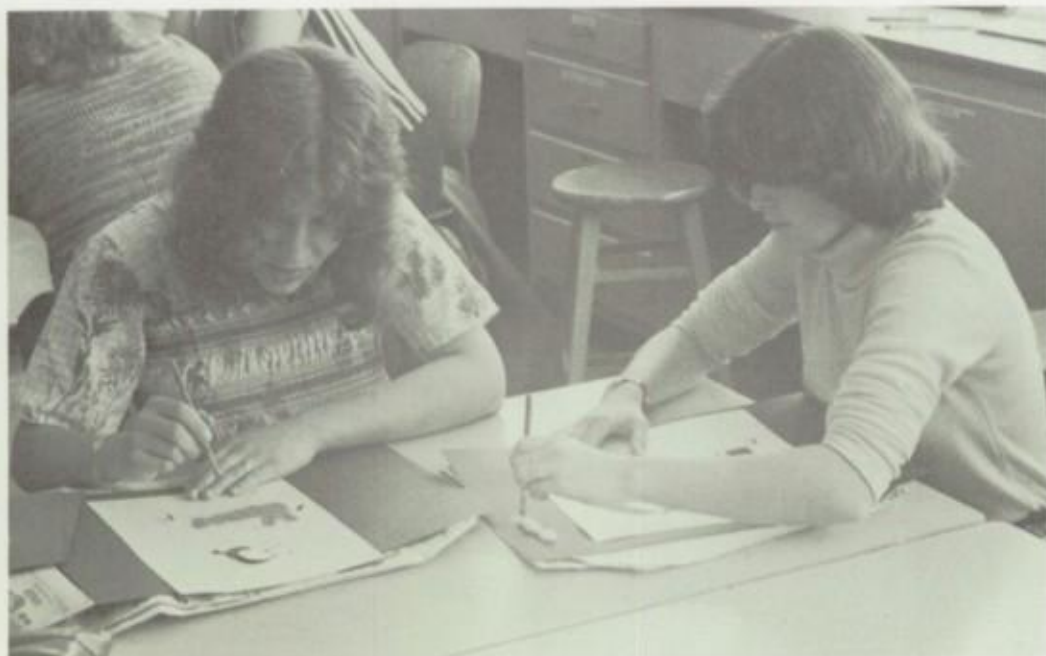

It's working, Mr. Riggle.

#### "Facing Graduation"

Faces of old and faces of new,  
People we know and people we knew.  
Growing together then drifting apart,  
Always an ending and now a new start.  
At graduation we all grow nearer,  
And all of our friends seem so much dearer.  
And as we say our final good bye,  
One last embrace and one more cry.  
A "keep in touch" and a "promise I will",  
A "remember when" but, better still,  
A place in my heart, you'll always stay,  
This is what's said as we go our own way.

## Dedication

### Mrs. Charlotte Sprague

We, the seniors of Brockway Area High School, dedicate our yearbook to Mrs. Charlotte Sprague.

Mrs. Sprague has been a member of the teaching staff for the past eleven years. She has instructed many students in varying aspects of the English field.

Besides helping us as scholars in our academic work, she has always given her time willingly to listen to the students' personal interests and needs.

Mrs. Sprague, as we leave these halls of Brockway High, we thank you for the guidance you have given and also for being the fine teacher and person that you are. Respectfully we say to you, "Adieu, adieu, adieu! remember me."

The true purpose of education is to cherish and unfold the seed of immortality already sown within us; to develop, to their fullest extent, the capacities of every kind with which the God who made us has endowed us.

Mrs. Jameson- EDUCATION. WINTER STUDIES AND SUMMER RAMBLES.

# Memories Of The Way We Were

We wish to thank everyone who helped to make the 1978 Dawn a success: the staff members who spent endless hours meeting the deadlines, the sales staff whose tremendous effort sold one of the largest amounts of books ever, the Walsworth representative Bernie Magirl, and the photographer Frank DeFina. A special thanks goes to Bud Grieneisen for supplying us with additional photographs.
